# THE FOREMOST ORGANIZATION FOR Emerging Health Care Industry Leaders

Leadership Health Care (LHC) was formed in 2002 as an initiative of the Nashville Health Care Council to foster the next generation of health care leaders through educational and networking opportunities for members.

“Joining Leadership Health Care is a positive career move for any rising health care professional. In addition to high-quality educational opportunities, the organization provides exposure to a network of industry peers and nationally recognized leaders.”

*Will Howorth, HCA Urgent Care*

Access: LHC 2016 Delegation to Washington, D.C.

Exposure: Dr. Meena Seshamani, director, Office of Health Reform, Department of Health and Human Services, at the LHC 2016 Delegation to Washington, D.C.

Networking: LHC Summer Reception

## LHC is an initiative of NASHVILLE HEALTH CARE COUNCIL

The Nashville Health Care Council is a premiere association of health care industry leaders working together to further establish **Nashville’s position as the nation’s health care industry capital.**

The Council promotes the continued growth of Nashville’s \$73 billion health care industry by fostering a supportive and collaborative environment for established, startup and relocating health care businesses. With a rich tradition of entrepreneurship and executive talent, Nashville has helped shape the nation’s health care landscape over the past five decades and continues to improve the delivery of patient care across the globe.
