Celebrating 20 Years

The Council was founded in 1995 to support Nashville's one-of-a-kind health care industry. This year, we will celebrate 20 years of creating value for members and prosperity for our community, and, in recognition of this milestone anniversary, plan to host several celebratory events and create commemorative materials. Watch for more information in the coming months - we look forward to celebrating with each of you!

FELLOWS NEWS AND EVENTS

The 2015 Fellows sessions launched on January 16 with a class of 36 health care leaders from around the country who represent a broad spectrum of the industry and are passionate about finding solutions to health care's greatest challenges. Current Fellows and alumni celebrated that evening with a welcome reception at Bound'ry.

Now half-way through eight full-day sessions, the Fellows curriculum has explored the rise of consumerism in health care through discussions on personalized medicine, branding and communication, and disruptive innovation. Course immersion components have included executive skills development exercises, patient simulation exercises, live case studies and genetic testing. The group has also enjoyed monthly networking receptions. The class will conclude May 22 with a commencement ceremony.

On the heels of the Affordable Care Act's second health insurance open enrollment period, and with a continued Congressional discord surrounding President Obama's signature health care law, a delegation of LHC members visited our nation's capital to hear first hand about key health care policy issues, federal health care spending priorities and reform implementation. The delegation's 100 attendees heard from Administration officials, legislators, congressional staff, health care industry experts and political analysts about what's happening in Washington and its impact on Nashville's \$70 billion health care industry.
