The Nashville Health Care Council is an association of health care industry leaders working to inspire global collaboration to improve health care by serving as a catalyst for leadership and innovation. Since 1995, the Council has been a trusted source for information on trends and innovations influencing the nation's health care industry. Home to 18 publicly traded health care companies, Nashville's health care industry generates more than \$95 billion in annual revenues and 500,000 jobs globally. For more information on the Council, please visit www.healthcarecouncil.com.
