Leadership Health Care (LHC) was formed in 2002 as an initiative of the Nashville Health Care Council to foster the next generation of health care leaders through educational and networking opportunities for members.

"LHC has provided me with significant professional and personal opportunity. Whether it is educational development, professional connectivity, or deeper personal relationships, there is something beneficial for everyone pursuing growth in this sector."

LHC is an initiative of
**NASHVILLE
HEALTH CARE
COUNCIL**

The Nashville Health Care Council is a premiere association of health care industry leaders working together to inspire global collaboration to improve health care by serving as a catalyst for leadership and innovation.

The Council promotes the continued growth of Nashville's \$92 billion health care industry by fostering a supportive and collaborative environment for established, startup and relocating health care businesses. With a rich tradition of entrepreneurship and executive talent, Nashville has helped shape the nation's health care landscape over the past five decades and continues to improve the delivery of patient care across the globe.
